

Gloves (Cozy)

Cold hands may mean warm heart but none of us want frozen digits. Cozy Gloves will be the answer for the whole family. This selection of fun, fast and practical finger-warmers transforms an essential item into an object of desire. The latest title in the Cozy series is packed with inspiring designs for every member of the family, from childrens mittens to glamorous sparkling evening gloves and hard-wearing cabled patterns for the man in your life. Many knitters get quivering hands when attempting gloves, but this book guides anyone who has mastered the basics of knitting gently through the technique of knitting divisions in to three parts frill or rib for wrist, wrist to knuckles and fingers and proves that it is nothing to be afraid of.
