

The Declutter Formula: How To Easily Tidy Your Home and Keep It That Way

The Ultimate Guide to Decluttering Your Home and Taking Back Your Life Are You Ready For an Easy Formula That Will Get Rid of Clutter and Keep Your Home Clean? If you are done with clutter, tired of having stuff everywhere, and ready to take back your life, this is the book for you. Home organizational expert and author Michael Marani shows you step-by-step how to reduce the mess and get rid of the clutter that is filling your living space. Research has consistently shown a strong link between a clean living space and a happy, low stress life. You may not feel it consciously, but clutter eats away at your sense of control, increases stress, and can dramatically affect your health and that of your family. Inside this book you will learn: Where to begin How to remove the excess from your life The best ways to cut down on the amount of paper you have around How to find a place for everything The power of a project list What to do with miscellaneous items The best ways to deal with common trouble areas How to change your habits How to keep living a clutter free life And Much More You didnt accumulate everything in your home in a single day. Instead, clutter, is the evidence of a pattern of bad habits and disorganization. This book does more than simply show you how to clean your space. It shows you how to change your life so that you will never live a cluttered life ever again. The sooner you get a copy of this book, the sooner you will feel the sense of peace and accomplishment only a clutter free home can bring. Dont Wait Another Second.
