

DIY on the FLY Under \$25 Monogram Home (Volume 1)

Great news, homeowners: a beautiful house doesn't have to be expensive. In fact, it is possible to create a lovely home without a lot of money or time and you can do it yourself! Television host and lifestyle and DIY expert Julee Ireland kicks off her DIY On the Fly under \$25 series with twelve monogram projects that are easy enough for even novice crafters to successfully complete. Illustrating more than simply how to produce these specific crafts, however, Ireland teaches you to tap into your own Make Craft Magic and find your inner Design Diva as you learn the art of repurposing the everyday items around your house. You'll soon see that thriftiness and creativity are a brilliant combination and that often the very pieces you need to beautify your home are right in front of you. By following easy, step-by-step instructions, you can quickly and inexpensively enhance your home with timeless monogram designs for a wide variety of household decorations, such as: Door hangers Doormats Table runners Shower curtains Pillowcases Nursery wall art. Let's get crafting and transform the ordinary into the extraordinary!
