

## Red Flags (The Conspiracy, Bait! Life Outside the Federal Witness Protection Program Book 1)

A true crime debut, the story of Red Flags begins in the middle of Las Vegas Nevada. Suz and Randy have a brainstorming legal session on how to overturn the biggest case of government fraud since Watergate. Layered in comic relief, Randy gives Suz 4 Choices which includes the Majority Leader of the United States Senate, Harry Reid. Nothing is ever easy for someone like Suz who should be in the Federal Witness Protection Program. Do you need WITSEC? After reading Red Flags, you might! Life outside the Federal Witness Protection Program is not only expensive, but very dangerous!
