

# Jack Frost, Vol. 11

Swept into Helminas consciousness, Noh-A witnesses the young Helmina, heir to Devildom--her longing for freedom and the betrayal that gives rise to Solomons reign of terror. Helminas strength alone was not enough to defeat the mad king, but in Noh-As hands, the power of the Witch of the North and the mirror image combine to transform the fearful girl into a fearsome opponent. With Jack Frost at her side, can Noh-A defeat the cruel King Solomon when he threatens to destroy Amityville for good?! The battle rages on in the final volume of Jack Frost!!
