

Junk Beautiful: Room by Room Makeovers with Junkmarket Style

One persons trash is anothers treasure. Thats a fact of life that the Junkmarket gals know only too well. Through their annual Minneapolis fleamarket, The Junk Bonanza, web site junkmarketstyle.com, and tireless touring, Sue Whitney and Ki Nassauer have helped countless devotees transform junk into one-of-a-kind furnishings and accessories. Working their magic on every room of the house--from kitchen to home office--they present conversational case studies that introduce the clients and explore their needs. With characteristic humor in tow, they take readers through each renovation adventure, from shopping for recycled materials to the actual construction projects. The gals also include complete materials lists, plus paint chips and fabric swatches, so that everything can be recreated down to the last delicious detail.
