

## 50 Shades of Organizing...Your Life

Or-ga-nazm /or? gan az um/ n. 1 the total bliss experienced in the midst of getting organized. 2 the climax of completing an organizing task or project. Meet The Organazm Ladies! Susan Unger and Lauri Mennel are here to help you get a little more control over your life. Doesnt that sound lovely? They are two experienced professional organizers who are excited about spreading their love of organizing without scolding, without shame and without judgment. Honey, they have seen it all! The Organazm Ladies know that smart, capable women (and men) sometimes just need a little inspiration and confidence building to help them create the life they envision for themselves. Reading 50 Shades of Organizing...Your Life will take you through a journey of fun and easy organizing ideas that will make you feel great! Susan and Lauri share philosophies, tips, ideas and methods that theyve seen work time and time again with their clients. Use this book in whatever way makes sense to you. Read through quickly to get an overall feel for The Organazm Ladies organizing philosophies. Search for a topic aligning to a problem area in your home. Close your eyes and pick a page! There is no right or wrong way to approach getting organized. There are lots of favorite products, websites and other resources that are mentioned throughout the book. You can find the latest and greatest of these on their website, [www.50ShadesOfOrganizing.com](http://www.50ShadesOfOrganizing.com). The Organazm Ladies dont promise getting organized is better than sex. But they do think youll love the feeling you get when you have an organazm on a regular basis!
