

More Amazing Quilted Photography: Make Easy Art Quilts With More Shapes, More Textures and Many More Easy Techniques! (Art Quilt Books Book 2)

With this book you'll learn how to duplicate your own photographs with fabric! The processes are easy and this book contains amazing techniques to make your photo art look like it's painted! The instructions are step by step and so simply explained that beginners and advanced quilters can make a masterpiece! You'll learn how to easily choose the perfect fabrics, how to choose a great photo and how to finish your Amazing Quilted Photograph! Tammie is a lovely, energetic & wildly creative woman! I thought quilted photography would be intense and difficult, but with amazing results only half of that is true, her technique is simple, clear and it does yield amazing results! Alexis Durham Manhattan Beach, CA I learned more about color value in the one day class than at Art School! Tammie's instructions were great! I watched my photo come to life in the class. I will treasure my quilt for a lifetime! Darlen Lee Acton, CA
