

Scrum Bums: A Get Fuzzy Collection

Bucky Katt is a rather obstinate Siamese who constantly battles his owner Rob for control of their home. Satchel Pooch, the Labrador-Shar-pei mix whos sweet and lovable, makes a nice lackey for Bucky. Bucky knows hes smarter than everyone else; its just a matter of convincing the rest of the world. Satchel always tries to do the right thing but very often ends up the brunt of Bucky's antics. Rob Wilco is a bachelor trying to regain household domesticity. Together, this seemingly typical threesome gets into some less-than-typical but hilarious situations. There's never a dull moment at the Wilco residence. Get Fuzzy, featured in over 500 newspapers worldwide, is one of the most highly lauded cartoons in the country. The National Cartoonists Society named it Best Comic Strip of 2002. Its sidesplitting humor and hilariously illustrated facial nuances appeal to animal lovers everywhere. Bucky and Satchel's words and expressions are what we all picture our beloved pets saying and doing.
