

Kez and Luke Collected: Volume 3

Kez and Luke are a couple. They live together, they love each other and that is never going to change. But... does that really mean they have to like each other all of the time? Discover the universal truth about long-term relationships in this simple, funny and touch comic strip. Kez and Luke Collected gathers together every single comic strip from the successful Kez and Luke webcomic in chronological order for the very first time. This is the third in a trilogy of volumes. Interesting, funny and, most of all, true, Richard Bruton, Forbidden Planet International Blog The difference between the sexes is rarely so dramatically revealed, John Freeman, Down the Tubes
