

Queen Housewife and Mama on a Budget: An Abundant Family Life on a Tiny Budget

This book is for all the mothers and fathers that want to stay home and raise their little ones, but have financial situations such as debt, more bills than paycheck and no savings. This little gem is packed with powerful tools, ideas and great advice to turn your situation around and create a sustainable life on one income. You will learn everything from the envelope system, holidays on pennies, making your own household cleaners and so, so, so much more. You will learn to create and build an abundant life for your family off the smallest of budgets.
