

## Station #1 (of 5) (Station Vol. 1)

Two hundred and twenty miles doesn't seem that far - unless you're looking down. Five nations have sent their finest astronauts to operate Earth's first multinational space station...but now one of them is dead. Is it sabotage...an accident...or murder? A thriller in the vein of *WHITEOUT*, from the writer of the *EUREKA* TV episodes *Right as Raynes* and *Purple Haze*.
