

## The Apollonides Mistress Scandal - Billionaire Heirs 2

Gemma Allen is a singer on a quest for the truth about what happened to her sister. Three years ago, Mandy Allen assumed Gemma's identity and came to the three Greek islands laid claim by Angelo Apollonides, the Resort King. When Mandy returned from her travels, she was addicted to the drugs that would soon take her life. Pretending to be her sister with a bad case of amnesia, Gemma has begun tracing the steps that led to her sister's downfall. Could Angelo be the one that took Mandy's life away, or will he simply take Gemma's breath away?
