

CreativiTee: the ultimate guide to cut and revamp your old T-shirts

Got a pile of old tees that have been stashed away in your closet for years? The time has come to break them out and revamp them! Packed with useful tips, illustrative photos and practical project information, Creativi-Tee is a step by step project book that will guide and inspire the artist within you to realize ultra fashionable T-shirt makeovers with astounding ease. Our 30 projects are easy to follow, fun to do and require minimal or no sewing. You'll learn how to recognize suitable materials, cut properly, the basic weaving technique, the loop weaving technique, the fishnet tying technique, the stopstitch technique, the kurigami technique and much more! Each project provides detailed step-by-step instructions illustrated by self-explanatory photos. With this ebook, you hold all the cards to renew your wardrobe for free while creating your own personal style statement. Tweak our ideas, make them your own, let inspiration guide you and unleash your creative power! The only limit is your imagination...
